DETAILED ACTION

Election/Restrictions

1. Applicant's election of Species B, Figs. 3-6, claims 1, 4-6 in the reply filed on 09/21/2004 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).
2. Claims 2-3, 7-19 are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to nonelected species, there being no allowable generic or linking claim. Election was made **without** traverse in the reply filed on 09/21/2004.
